Subject: Re: Insurance Waiver

Susan;

Our phone & internet have been out of service since last week Thursday, another effect of H. Wilma.

I have made one last plea with each of the subcontractors for their insurance forms for our roof repair & parking lot job for the Marathon Garden Club. But to be honest they are so overworked now with "Wilma" repairs that they cannot be bothered with us anymore.

Regretfully I guess that takes us out of the grant money pool. We are sorry to lose out on this opportunity but I understand that you cannot give us the money without the proper paperwork.

We will have to chalk this experience up as a lesson learned in Brick & Mortar grant writing.

Thank you for all your patience & phone calls. We appreciate your willingness to work us through the process. We're sorry we were not successful.

This AGREEMENT dated the ____ day of _____ 2005, is entered into by and between the BOARD OF COUNTY COMMISSIONERS FOR MONROE COUNTY, hereinafter "County" or "GRANTOR," on behalf of the TOURIST DEVELOPMENT COUNCIL, hereinafter "TDC" and Marathon Garden Club, Inc., hereinafter "Grantee".

WHEREAS, the third penny of Tourist Development Tax may be used to acquire, construct, extend, enlarge, remodel, repair or improve, convention centers, sports stadiums, sports arenas, coliseums, auditoriums, fishing piers, museums, zoological parks, nature centers and beaches which are publicly owned and operated or owned and operated by not-for-profit corporations, and

WHEREAS, Grantee owns and contracts to a not-for-profit corporation for the operation of a nature center open to the public; and

WHEREAS, Grantee has applied for funding for the Roof and Parking Lot Repair project; and

WHEREAS, the Grantor and TDC have determined that it is in the best interest of the County, for purposes of promoting tourism and preserving the heritage of the community, to repair the property for use as a nature center and tourist attraction open to the public;

NOW, THEREFORE, in consideration of the mutual covenants and payments contained herein, the Grantee and the Grantor have entered into this Agreement on the terms and conditions as set forth below.

1. GRANT AGREEMENT PERIOD. This Agreement is for the period of October 19, 2005 through to September 30, 2006. This Agreement shall remain in effect for the stated period unless one party gives to the other written notification of termination pursuant to and in compliance with paragraphs 7, 12 and 13 below.

2. SCOPE OF AGREEMENT. The Grantee shall provide the following scope of services: Provide materials and labor as is necessary to complete segment 1: repair of the roof on the south face of building, and segment 2: repair of the front parking lot. Segment(s) of the work is/are more particularly described in Exhibit(s) A, detailing the work and the cost allocable to each segment, attached hereto and incorporated herein by reference. All work for which grant funds are to be expended must be completed by the stated termination date of September 30, 2006 and all invoices pertaining to this project shall be submitted to the Finance Department of Monroe County no later than September 30, 2006 to be considered for payment.

a) There shall be a project manager to acknowledge receipt of goods or work performed. This Project Manager shall be Betsy and/or Norman Philipps, 7525 Gulf Stream Boulevard, Marathon, FL 33050 (Telephone: 305-289-0790/Fax: 305-289-

0790/e-mail: Nbphilipps@AOL.com). Should there be a change in the project manager specified in the Grantee's application, a new project manager shall be designated and notice of the designation shall be provided to TDC/County.

b) If, and to the extent that, Grantee contracts for any of the work funded under this Agreement to be performed or completed, Grantee shall give notice to County of the contractual relationship, provide County with a copy of any and all contracts and shall require the contractor(s) to comply with all the terms of this contract. Should grantee contract the work and then decrease the scope of work to be performed by a contractor, Grantee shall provide County with an amended contract executed by Grantee and its contractor.

(i) A Grantee which is a governmental entity shall comply with the procurement regulations and policies to which it is subject, and shall provide Grantor documentation of the procurement requirements applicable to the project and compliance therewith.

(ii) A Grantee which is a not-for-profit entity shall undergo procurement processes for those parts of the project to be contracted (not performed by the entity's employees), which shall, at a minimum, require the acquisition of two written quotes for work expected to be under \$25,000 or a notarized statement as to why such written quotes were not feasible. For work expected to be \$25,000 or more, a competitive bid process must be performed. County procurement policies and procedures may be used by the Grantee as a guideline. In the event that the monetary contractual process commenced prior to the effective date of this funding grant Agreement, and the guidelines above were not followed, Grantee shall submit with its reimbursement request a notarized statement which details the Grantee's procurement efforts to ensure the best service for the most economical price. Grantee shall provide Grantor detailed documentation of the procurement process used.

c) Grantee shall exercise good internal controls to assure that the project as described in the funding application shall be completed on a timely basis within the proposed budget and shall provide to County any certifications, including those by the architect, engineer, contractor or an independent consultant if necessary, required to establish that materials which are purported to be applied to the project are in fact so applied. Further verification shall be required to show that equipment and other fixtures and personal property covered by this Agreement are delivered to and installed in the project site. When any permit is required by any governmental agency, copies of plans and other documents which are submitted to the applicable agency shall be submitted to the County Engineering Division to enable verification that the scope of services under this Agreement has been provided.

3. AMOUNT OF AGREEMENT AND PAYMENT. The Grantor shall provide an amount not to exceed \$4,046 (Four Thousand and Forty Six Dollars) for materials and services used to repair the property. Reimbursement request must show that Grantee has paid in full for materials and services relating to the segment prior to seeking the 50% (fifty percent) reimbursement from Grantor. Payment shall be 50% (fifty percent) reimbursement of the total cost of the segment, subject to the cap on expenditures for that segment as set forth in Exhibit A. Reimbursement can be sought after each

segment of the Agreement is completed and signed by the Monroe County Engineering Department as outlined in 3.a. The Board of County Commissioners and the Tourist Development Council assume no liability to fund this Agreement for an amount in excess of this award. Monroe County's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the BOCC.

a) Payment shall be made upon the completion of a specific segment as outlined in the Scope of Services and Exhibit A. Payment for expenditures permissible by law and County policies shall be made through reimbursement to Grantee upon presentation of Application for Payment Summary- AIA Document G702 or similar certification as required below for governmental entities and not-for-profit entities, invoices, canceled checks and other documentation necessary to support a claim for reimbursement. Payment is a 50% (fifty percent) reimbursement of the total cost of each segment of the project, subject to the cap on expenditures for that segment as set forth in Exhibit A. Reimbursement can be sought after each segment of the Agreement is completed and signed by the Monroe County Engineering Department as outlined in 3.a. Included in said documentation shall be proof that the Grantee has received the property, realty or personalty, for each segment of Agreement as outlined in Exhibit A and paid an amount equal to or greater than the amount invoiced to the Grantor. It shall be necessary for the Grantee to contact the County Engineering Division and to arrange for inspections upon the completion of each segment. The documentation needed to support the payment request shall be in the form necessary for submission and available to the County engineer at the time of inspection. All submissions for payment shall have a proposed schedule of values for segment(s) and indicate the percentage of completion of the overall project as of the submission. This document should be signed by the project architect, engineer, general contractor or project manager. Photos of the progress of the work shall also be submitted with the payment application. It shall be the responsibility of the project architect, engineer, general contractor or project manager to initiate the communication with the Monroe County Engineering Division to facilitate the inspection(s) of the segment of the project. All submissions requesting payment shall be approved in writing, and signed, by the Monroe County Engineering Division as to the completion of the segment of the project for which payment is requested. The application for payment document must be certified through a statement signed by an officer of the organization and notarized, declaring that representations in the invoice are true and factual. Grantee shall also provide partial releases of liens or certifications of non-lien if applicable. Grantor shall retain 10% of any payment on work in progress until the Grantee has provided a Final Release of Lien for each vendor/Contractor for whom payment is requested. For projects exceeding \$25,000 in TDC funding under this Agreement, final payment will not be made until the following documents are complete and submitted to the Grantor:

AIA Document	G-702	Application for Payment Summary
AIA Document	G-704	Certificate of Substantial Completion
AIA Document	G-706	Contractor's Affidavit of Debts & Claims
AIA Document	G-706A	Contractor's Affidavit of Release of Liens
AIA Document	G-707	Consent of Surety to Final Payment (when applicable)

For projects for which TDC funding under this Agreement is \$25,000 or less, the AIA documentation is not required, but sufficient documentation must be submitted to County to provide similar assurances that the work has been completed and contractors/suppliers paid.

All payment requests must be submitted no later than the completion of project of September 30, 2006. Invoices received after September 30, 2006 will not be considered for payment.

b) Documentation shall be submitted to the TDC Administrative Office to show the receipt and application of in-kind donations of goods, professional services, and materials. Said documentation should include invoices, bills of lading, etc., and be verified as received and applied to the project through a notarized statement of the project architect, engineer, general contractor or project manager. The receipt and application to the project of volunteer labor are to be documented and verified by notarized signature of the project architect, engineer, general contractor or project manager, and said documentation submitted to the TDC Administrative Office. All submissions shall identify the items included in Exhibit A and grantee shall complete the Application for Payment form which is provided within the payment/reimbursement kit provided to the grantee, listing the schedule of values which are sought to be reimbursed and shall indicate the percentage of completion of the overall project as of the submission. This document should be signed by the project architect, engineer, general contractor or project manager.

Photographs showing progress on project shall be included in any payment request. The Project Manager shall certify delivery to the project site and installation therein of any goods or services provided other than through an architect, engineer or contractor. All work performed and goods received on site and incorporated into the project shall be verified by one of the foregoing.

c) Grantee must submit all documentation for final payment on or before the termination date of this grant of September 30, 2006. Invoices received after September 30, 2006 will not be considered for payment.

e) Upon successful completion of this Grant Agreement, the Grantee may retain ownership of the real and personal property acquired and/or improved with funding under this Grant Agreement. However, the Grantee shall maintain, preserve and operate the property which was acquired or improved under this Agreement for the uses and purposes which qualified the Grantee for tourist development tax funding. Real property acquired or improved through funding under this Agreement shall remain dedicated for the purposes set forth herein or for other purposes which promote tourism and

ownership of said property shall be retained by the Grantee. The following terms shall apply:

(i) The Grantee shall have the use of the property, including both realty and personalty acquired with funding under this agreement, at the project site for so long as the facility is operated by Grantee, open to the public, and has a primary purpose of promoting tourism. At such time as any of the conditions in the preceding sentence shall cease to exist, the Grantee shall transfer ownership and possession of equipment and personal property to a local government or another not-for-profit organization which is a facility for which tourist development taxes may be used pursuant to Florida Statute with prior approval from TDC and BOCC.

(ii) At any time that the Grantee: (a) elects to stop the project or otherwise decide not to place into service for tourist-related purposes the facility acquired, constructed, or renovated with tourist development tax funding, (b) demolishes the project facility or divests itself of ownership or possession of the real property, or (c) ceases the use of the property with a primary purpose of promoting tourism, Grantee shall, pursuant to the formula set forth hereafter, refund to the County the Tourist Development funding. This provision shall survive the termination date of all other provisions of this contract for a period of ten years. The Grantee understands that it shall be responsible for repayment of any and all audit exceptions which are identified by the Auditor General for the State of Florida, the Clerk of Court for Monroe County, the Board of County Commissioners for Monroe County, or their agents and representatives. In the event of an audit exception, the current fiscal year grant award or subsequent grant awards will be offset by the amount of the audit exception. In the event the grant is not renewed or supplemented in future years, the Grantee will be billed by the Grantor for the amount of the audit exception and shall promptly repay any audit exception.

(a) Public Access. The County and Grantee shall allow and permit reasonable access to, and inspection of, all documents, papers, letters or other materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made
